These problems have resulted in calls being dropped and voicemail messages being cut off. Sometimes it sends callers straight to our voicemail without ringing at all.

As of August 1, 2011, we have switched our cell phone service to a different provider, and we sincerely apologize to any residents who have experienced difficulty contacting us due to these problems.

Glencannon Executive Meeting Minutes

May 19, 2011

[PLEASE NOTE: These minutes are appearing in the newsletter later than usual due to a delay with the minutes being approved by the Board.]

Board members present: President Dave Sarver, Tony Sacco, Terry Creighan, John Morton, Rita Manolas, Rick Flood, and Lisa Ackerman.

Meeting was called to order by Mr. Sarver at 7:24 p.m.

Mr. Sarver and Mr. Sacco discussed the issue of whether Glencannon resident Cheryl Cokley should have a place on the Board. Mr. Morton shared information on court cases related to this matter and discussed various Pennsylvania laws and regulations dictating the restrictions homeowner associations have with regard to the proper legal procedures for imposing and collecting fees and dues. These include the Pennsylvania Uniform Planned Community Act, the Pennsylvania Mechanic's Lien Law, and Pennsylvania Rules of Civil Procedure. Mr. Morton pointed out that Pennsylvania courts have ruled in cases involving collecting homeowner association fees and dues that the association has an obligation to notify the homeowner of the amount due to allow the homeowner the opportunity to contest the amounts.

Mr. Creighan stated that the Board is currently filling Ms. Falleroni's seat and the Glencannon by-laws are clear on the procedure for filling Board positions and the process has already been set in motion. In addition, a vote was taken regarding Mrs. Cokely (by the Board) before Mr. Creighan and Ms. Falleroni joined the Board and the results were 3 (for), 3 (against) and 1 abstention. Mr. Creighan stated that the Board would be in violation of its by-laws if they ignored them in this situation.

Mrs. Minshull asked if a decision could be made regarding the previously-discussed resale issues from 2010, since several residents still have outstanding balances on their accounts that were the responsibility of the previous owners. These issues need to be resolved immediately so residents are not unfairly prevented from using the pool this summer. Ms. Manolas made a motion to waive these outstanding balances that are not the responsibility of the current residents. Mr. Flood seconded the motion. Mr. Morton stated that the same laws, regulations, and court cases cited above for Mrs. Cokley's situation apply here (especially the timeframes), and therefore the same logic should be used to waive these outstanding balances for the residents. Vote: 6 yes (Mr. Sarver, Mr. Creighan, Mr. Sacco, Mr. Morton, Mr. Flood, and Ms. Manolas) and 1 abstention (Mrs. Ackerman).

Mrs. Minshull stated that residents have called with reports of dirt bikes and all-terrain vehicles being ridden on common property within Glencannon. Mrs. Ackerman said that she recently saw an individual who had a four-wheeler near the pond and brought to his attention that he was not permitted to ride it there. Mr. Flood suggested posting signs in areas that seem to be problematic.

Mr. Sacco questioned the decision made at the April Executive Meeting to pay Wendy Hogan to maintain the volleyball courts, and stated that this is already part of the pool contract. Mr. Sarver responded that she was only being paid to maintain the volleyball courts on nice days prior to the opening of the pool on May 28th.

Mr. Sarver discussed other issues relating to the opening of the pool. More lounge chairs and tables are needed for the pool area. The Board is going to be given a list of the lifeguards for this year and will need to vote to approve hiring them. [After the meeting, an email vote was conducted to approve hiring the lifeguards. Vote: 6 yes (Mr. Sarver, Mr. Flood, Mr. Creighan, Mr. Sacco, Mrs. Manolas, and Mrs. Ackerman), and 1 abstention (Mr. Morton).

Mr. Sarver reported that the cracked pool slide has not yet been repaired, but should be fixed the following week. Mr. Sarver also discussed the options for enclosing part of the pool office to provide workspace for both the lifeguards and the association secretary. Mr. Creighan discussed the upcoming installation of the security system that has been purchased for the pool area.

Mr. Sarver mentioned that the previously-discussed problem with the concrete to the left of the men's restroom has not yet been repaired. Mr. Morton made a motion to move forward with the concrete repairs if the cost does not exceed \$1000. Mr. Flood seconded the motion. Vote: 7 yes (Mr. Creighan, Mr. Sacco, Ms. Manolas, Mr. Sarver, Mrs. Ackerman, Mr. Morton, and Mr. Flood).

Mr. Sacco questioned some of the expenses on the Sherwood Pools invoice and requested a more detailed breakdown of the costs. Mr. Sarver said that two bids were received for these expenses and Sherwood Pools was much less than the other bid.

Mr. Sarver stated that pool passes from previous years will still be valid this year. Stickers will be used to validate the passes for 2011.

Complaints from residents regarding the parking issues on Hickory Circle were discussed. Mr. Creighan suggested repainting some of the markings on parking spaces.

Issues related to the playgrounds were discussed. Mrs. Ackerman reported that some of the railroad ties at playground "A" are deteriorating and need to be replaced. Mrs. Ackerman also asked about the merry-go-round being painted by Elite. Mr. Sarver stated that it had already been painted. Mrs. Minshull added that repairs are also needed on the ladder and tube slide. Mrs. Ackerman said that she thought the ladder and tube slide were fixed last year.

Mr. Creighan presented samples of the official ballots that will be distributed to residents for the upcoming election of new Board members. He obtained three quotes for printing these items, and Quality Quick Printing was the lowest.

Mr. Sacco left the meeting at this point.

Mr. Creighan made a motion to accept the design of the official ballots and have them printed by Quality Quick Printing. Mrs. Ackerman seconded the motion. Vote: 6 yes (Mr. Creighan, Mrs. Ackerman, Mr. Sarver, Mr. Morton, Mr. Flood, Ms. Manolas).

Mr. Creighan made a motion to follow the bylaws and acknowledge that Mr. Sarver is currently acting as president of the Board. Mrs. Ackerman seconded the motion. Vote: 6 yes (Mr. Creighan, Mrs. Ackerman, Mr. Sarver, Mr. Morton, Mr. Flood, Ms. Manolas).

Mr. Sarver made a motion to adjourn the meeting. Mrs. Ackerman seconded the motion. Meeting was adjourned at 9:17 p.m.

[After the meeting, an email vote was conducted to approve the April financial information. Vote: 4 yes (Mr. Sarver, Mr. Flood, Mr. Creighan, and Mr. Morton), except Mr. Morton did not approve the payment of the two (2) Eckert Seamans legal bills and requested in his email a review of all of their legal bills submitted to the Board since August 2010), 1 no (Mr. Sacco), and 2 abstentions (Mrs. Ackerman and Ms. Manolas).]

Respectfully submitted by Sara Minshull.

Glencannon Executive Meeting Minutes

June 28, 2011

Board members present: Vice President Dave Sarver, Lisa Ackerman, Tony Sacco, Richard Flood, Rita Manolas, Terry Creighan, and Brent Adams

Meeting was called to order by Mr. Sarver at 7:34 p.m.

Discussion took place regarding the minutes from the May Executive Meeting on 5/19/2011 that have not yet been approved by the Board. No action was taken. The minutes from the June Regular Meeting on 6/14/2011 were reviewed and additions were made.

Mr. Sacco asked Mr. Sarver if Eckert Seamans had responded with clarification of what the \$300,000 figure in the pond lawsuit consists of. Mr. Sarver responded that the expert witness for the lawsuit will be attending the July 12 meeting to answer questions about this. They have stated that the \$300,000 figure may be lower than what the actual recovery amount could be. Further discussion took place regarding the past, present, and future costs of repairing the pond.

Mr. Sarver made a motion to approve the June Regular Meeting minutes. Mr. Creighan seconded the motion. Vote: 5 yes (Mr. Sarver, Mr. Creighan, Ms. Manolas, Mr. Sacco, Mr. Adams) and 1 abstention (Mrs. Ackerman)

Mr. Creighan suggested allowing the candidates in the election to write brief notes that could be included in the newsletter as a way to help residents get to know the candidates. It was agreed that this opportunity would be offered to the two candidates running in the Townhouse category. [The candidates in the other categories are running unopposed.] Mrs. Ackerman suggested that the candidates post something on the bulletin board at the pond as well.

Mr. Sarver stated that he has obtained three bids from accounting firms for completing the association's taxes and annual audit. The bids ranged from \$4000 to \$6000. Discussion took place regarding the various options.

Mrs. Ackerman asked about filing liens against the properties of residents who are delinquent. Mr. Sarver stated that the Board is following the procedure outlined by the attorneys for filing liens, and therefore needed to send out statements and delinquency letters to these residents for several months before liens could be filed.

Mr. Sarver stated that there are several trees throughout Glencannon that need to be trimmed or removed, and Elite is unable to work on them because they are too big. The locations are at the corner of Hickory Circle and Hunting Creek Road, on common property near a residence on Hunting Creek Road, and several near the pond. Mrs. Minshull will contact tree companies to obtain quotes for trimming or removing these trees.

Mr. Sarver reviewed the pool income that has been received so far this summer, and noted that the amount of \$2,600 is much higher than the pool income that was reported at this point last summer.

Mrs. Minshull discussed the problems that she has been having with the Cricket cell phone that the association phone calls are transferred to. The phone often does not have an adequate signal, which has caused numerous calls and voicemail messages to be cut off or lost. Other options for cell phone service were discussed, and it was determined that a T-Mobile no-contract plan would be a good option, since it will provide a better signal at a cost that is less

than the cost of the Cricket plan. Mr. Sacco made a motion to discontinue the Cricket cell phone service and obtain a T-Mobile plan instead. Mr. Sarver seconded the motion. Vote: 7 yes (Mr. Sacco, Ms. Manolas, Mr. Adams, Mr. Flood, Mr. Creighan, Mr. Sarver, Mrs. Ackerman)

Mrs. Minshull stated that she has been unable to make the additional pool passes for residents who have had their photos taken since the pool opened, because the order of the list of names that she received from the pool staff does not correspond to the order of the photos that were taken. She will contact Patrick Hogan and try to find a solution to this issue.

Mr. Sarver made a motion to adjourn the meeting. Mr. Creighan seconded the motion. Meeting was adjourned at 9:20 p.m.

Respectfully submitted by Sara Minshull.

Glencannon Regular Meeting Minutes

July 12, 2011

Board members present: Vice President Dave Sarver, Lisa Ackerman, Tony Sacco, Richard Flood, Rita Manolas, Terry Creighan, and Brent Adams

Meeting was called to order by Mr. Sarver at 8:02 p.m.

Phil Binotto and Marcia DePaula from Eckert Seamans law firm were present to discuss the current status of the pond lawsuit and answer questions from residents. Mr. Sacco asked the attorneys to substantiate the \$300,000 figure for repairs to the pond that has been mentioned. Mr. Binotto said the engineer that has been retained as an expert witness on the case is in the process of preparing his final report, but he has estimated that there are approximately \$320,000 in damages that he is going to assess, which includes dredging the pond. This report will be complete in a couple weeks and will provide an in-depth look at what these costs consist of and what his recommendations are.

Mr. Sacco stated that he has not yet seen anything on paper, and noted that there was no mandate by the DEP to dredge the pond. Ms. DePaula said that, regardless of what DEP says, the engineer is determining the potential for current and future property damage that could result from the problems with the pond. Mr. Binotto added that the written report from the engineer will detail his understanding of the causation of the problems and what the remedies are.

A resident questioned the fact that the lawsuit was filed prior to a written report being completed by the engineer. Mr. Binotto stated that a preliminary report had been completed by the engineer before the lawsuit was filed.

Mr. Sacco mentioned the issues with the stream behind his home on Hunting Creek Road. This stream has been filling with storm water much more than it did in the past, perhaps due to development. Ms. DePaula stated that the case is broad enough that it could potentially cover any erosion problems caused by development.

Mr. Flood asked if Mr. Binotto and Ms. DePaula would be available to attend the August Board meeting to review the engineer's written report, assuming that it is completed by that point. Mr. Binotto said that they would be happy to do so. The engineer's report is scheduled to be completed by the end of July.

FINANCIALS: The Board reviewed the financial information for June 2011 that had been distributed prior to the meeting. Mr. Sacco asked for clarification of the debit charges from swimoutlet.com and D.H. Bertenthal. Mr. Sarver stated that these were for uniforms for the lifeguards. Mrs. Minshull said that she has not yet received invoices for these charges from Mr. Hogan. Mr. Flood made a motion to approve the June financials. Mr. Creighan seconded the motion. Vote: 5 yes (Mr. Sarver, Mr. Flood, Mr. Creighan, Ms. Manolas, and Mr. Adams), 1 no (Mr. Sacco) and 1 abstention (Mrs. Ackerman)

COMMONS: Mr. Sarver stated that one bid has been received for trimming or removing several trees in Glencannon. This bid came from Staley's Tree Service. Mrs. Minshull stated that she is trying to obtain additional bids, but has had trouble with other tree services not returning her phone calls.

Mrs. Ackerman mentioned that mulching has been completed at playground "C". A resident stated that the baby swing at playground "A" is broken.

REC CENTER: Patrick Hogan, Sr. was in attendance and provided an update on various pool issues. He stated that the work recently completed by Sherwood was not done to his satisfaction, and he has asked them to come back. Mr. Hogan also stated that the slide is cracked, and the feet on the slide ladder are cracked as well. Previous attempts to repair the slide have not been successful. He recommended replacing the slide next year, and said that he would be willing to remove the old slide. Options for replacing the baby pool were discussed, and Mrs. Ackerman suggested installing a play area for children with sprinklers and other items in place of a baby pool. Mr. Hogan noted that this would cost more than simply repairing the existing baby pool, and that state regulations would have to be considered.

Mrs. Minshull discussed the problems that arose when creating pool passes for residents who had photos taken by the lifeguards this summer. The order of names on the list she received from the lifeguards did not correspond with the order of the photos on the camera, making it difficult to match the photos with the correct names. Mrs. Minshull has created passes with the photos and left the names blank. These passes will be left with the lifeguards at the pool office, so hopefully they can be matched to the correct residents.

ACC: Mr. Sarver said that one new ACC request was just received.

OLD BUSINESS: None.

NEW BUSINESS: Mrs. Ackerman stated that the Board has been discussing the possibility of creating a deck hockey area. Mr. Creighan said that two potential locations for this would be at the current location of the tennis court or in the field adjacent to playground "A". Mr. Adams noted that the location at playground "A" would be more costly to develop.

Mrs. Ackerman mentioned that Hot Dog Day at the pool would be held on Sunday, July 17, from 1:00 until 3:00 p.m. Various items were donated for this event and Mr. Flood volunteered to help cook the hot dogs.

OPEN DISCUSSION: April John stated that there is graffiti on Hunting Creek Road near Cricketwood Court. Removal methods were discussed, and Mr. Adams said that Walmart sells a product that removes graffiti. He will look into this.

Mrs. John also discussed problems with cars being egged and teenagers loitering and using illegal substances in the area near the cul-de-sac of Cricketwood Court. The police have been contacted and are monitoring the area.

John Ackerman, chair of the pond committee, further discussed

the pond issues and lawsuit. He explained why he felt the lawsuit would cost less than the work on the pond mandated by the DEP. Mr. Ackerman also emphasized that he is willing to share his experience and knowledge of the pond situation with any Board member or resident.

Mr. Adams expressed concern over fliers that were distributed in March to some residents urging them to vote for specific Board candidates who were allegedly opposed to the pond lawsuit. He stated that individuals should only join the Board for the overall betterment of the community, and that individuals with personal agendas or specific motives for joining the Board should not attempt to join the Board.

A resident requested that the amount of money spent on the lawsuit be published in the newsletter. Mr. Sarver agreed that this could be done.

Brian Spicer asked if the Board has considered retaining a collection agency to help with collecting delinquent association fees. Mr. Sarver stated that this has been discussed.

Mr. Flood made a motion to adjourn the meeting. Mr. Adams seconded the motion. Meeting was adjourned at 9:40 p.m.

Respectfully submitted by Sara Minshull.

Glencannon Annual Meeting Minutes

July 12, 2011

Board members present: Vice President Dave Sarver, Lisa Ackerman, Tony Sacco, Richard Flood, Rita Manolas, Terry Creighan, and Brent Adams

The Annual Meeting was called to order by Mr. Sarver at 9:40 p.m.

Mrs. Minshull collected the ballots and recorded the lot number from the outside of each envelope to ensure that there were no duplicates. Mr. Sarver asked Glencannon residents Ken Jones, Vicki Falleroni, and Buddy Clark to serve on the committee to open and tally the ballots for the election of Board members.

Mr. Sacco was unopposed for the Single Family position, and was elected to a new three-year term, expiring in March 2014. Ms. Manolas was unopposed for the Open position, and was elected to a new three-year term, expiring in March 2014. Dorothy Esposto and April John ran for the Townhouse position. Ms. Esposto received 65 votes and Mrs. John received 89 votes. Mrs. John was elected to a new three-year term, expiring in March 2014.

Mr. Sarver made a motion to adjourn the Annual Meeting. Mrs. Ackerman seconded the motion. Meeting was adjourned at 10:05 p.m.

Respectfully submitted by Sara Minshull.

A resident asked that we publish the amount of money that has been spent on the pond lawsuit in 2010 and 2011. This amount as of July 31, 2011 is \$44,146.22.
