# Glencannon Community News

The November Monthly Meeting of the Directors is **CANCELED** due to the library shortening their hours and an abundance of caution with Covid-19 cases rising

## Open Board Positions

The following seats can be filled by the GHA board of directors at the next monthly meeting:

Townhouse category position that expires in March 2023

Open category position that expires in March 2022

Prospective GHA board members must reside in Glencannon and must be current in monthly dues.

Only GHA homeowners can fill a Townhouse or Single Family Home board position.

## Resident question of the month

**Will the monthly meetings take place at the library in 2021 now that their hours are shortened?**

We are not sure, if possible we can look into another night of the week for meetings, however, it may be necessary to find another venue. Be sure to check the web site and newsletters for updates.

**What is the best way to have my general questions answered?**

You may want to try the GHA email address; if your question is not time sensitive. Our Secretary has limited phone hours, this is a very convenient option.

Residents are reminded that trespassing on the frozen pond is **STRICTLY PROHIBITED.**

Please be safe this winter.

## Holiday Trash Pick-Up

The following days push back collection by one day.

**Memorial Day  
Labor Day**

Although New Year's Day, The 4th of July, Thanksgiving and Christmas are listed holidays, they take place after our normal collection day so pick-up is Tuesday after Memorial Day and Labor Day.

## Coronavirus Disease 2019 (COVID-19)

### Know How it Spreads

- There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19).
- The best way to prevent illness is to avoid being exposed to this virus.
- The virus is thought to spread mainly from person-to-person. Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs or sneezes.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.

### Take steps to protect yourself

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick
- Put distance between yourself and other people if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.

### Take steps to protect others

- Stay home if you are sick, except to get medical care. Learn what to do if you are sick.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.
- If you are sick: You should wear a facemask when you are around other people.
- Everyone should wear a mask in public settings and when around people who don't live in your household, especially when other social distancing measures are difficult to maintain. Facemasks normally used for caregivers (N-95 masks) may be in short supply and you should avoid using them.

### Clean and disinfect

- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.
