The Baby pool is currently undergoing some extra maintenance. At this point, the floor needs painted; we are dependent on weather to finish the job (two rain free days and five days of curing time are required).

The main pool pump motor stopped working and was beyond repair with just six days to opening this season. Thanks to some quick work and expertise by our maintenance technician - Chuck Miele, we were able to scramble and open on time.

Thank you Chuck!!!

A new planting bed and bench will be installed near the intersection of Old Meadow Road and Deerfield Road. Check back in future months for updates and photos.

Pond Status

We are awaiting permitting to repair and update the pond.

We will publish all of the details when they are available.
