Approval must be obtained for decks, doors, windows, sidewalks, patios, sheds, painting, etc.

A \$50 fine may be assessed for failure to submit the ACC form with proper approval.

A copy of the ACC form is available from the association secretary, in most newsletters or online at:

Selling Your Property?

If you are planning to sell your property you will need a "Resale Certificate" signed by a GHA Board Member and the GHA Secretary. The Resale Certificate is issued when all GHA dues and assessments have been received by GHA resulting in a zero balance owed. **The Resale Certificate is required for your home Closing.**

As a reminder under Act 180, the Association has ten days to provide the Resale Certificate and other items to the seller. Please contact the GHA Secretary as soon as possible so that your Resale Certificate can be prepared.

There is a fee of \$75 for a Resale Certificate.

The GHA Secretary can be contacted at (724) 745-4911.

Attorney Fee Policy

Residents who fail to pay the monthly \$43 assessment for five months or more can expect an official warning letter from Glencannon Homes Association. open when the pool is opened.**

**County Hauling has asked us to remind

Thank You

Coronavirus Disease 2019 (COVID-19)

Know How it Spreads

- There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19).
- The best way to prevent illness is to avoid being exposed to this virus.
- The virus is thought to spread mainly from person-to-person. Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs or sneezes.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.

Take steps to protect yourself

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick
- Put distance between yourself and other people if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.

Take steps to protect others

- Stay home if you are sick, except to get medical care. Learn what to do if you are sick.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.
- If you are sick: You should wear a facemask when you are around other people.
- If you are NOT sick: You do not need to wear a facemask unless you are caring for someone who is sick (and they are not able to wear a facemask). Facemasks may be in short supply and they should be saved for caregivers.

Clean and disinfect

- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.

For more information go to: <https://www.coronavirus.gov/>
